## WELCOME TO THE 12TH IGF: SHAPE YOUR DIGITAL FUTURE!

The Internet Governance Forum (IGF) serves to bring people together from different stakeholder groups from all around the world, in order to discuss pressing public policy issues related to the digital world. It allows all participants to share their experiences and debate, as equals, the opportunities and challenges arising from the process of digitization.

The 12th IGF, hosted by the Government of Switzerland, will serve as a global multistakeholder forum with over 200 sessions, including on Day 0 (17 December). It will address issues relating to the future of Digital Governance, Digitization and Democracy, the Digital Economy, Human Rights, Gender, Internet & ICTs for the Sustainable Development Goals, Artificial Intelligence, Big Data, Access and Inclusion, Freedom of Expression, Internet of Things, IPV6, Fake News, Privacy, Digital Transformation, Digital Trade, Data Protection, Digital Literacy, Access to Information, Hate Speech, Blocking, Community Empowerment, the Digital Divide, Enhancing Accessibility for Persons with Disabilities, and many more.

Geneva is one of the main hubs in the world where digital policies are debated, evaluated and adopted. IGF 2017 provides an unprecedented opportunity to break down silos and forge alliances for new constructive cooperation and partnership to shape our digital future.

We wish you an enjoyable and rewarding meeting!
